

How to activate SIM cards

1. Log in to the customer portal portal.whereversim.com with your email address and the password you chose.

2. Click on "Endpoints" in the menu and "Create Endpoint"

ID	Name	ICCID	MSISDN	IP	IMEI	Service Profile	Tariff Profile
83933	Testing Endpoint 1	89883	423	10.		2G, 3G, MT, MO	Global Pro I wherev...
83933	Testing Endpoint 2	89883	423	10.		2G, 3G, MT, MO	Global Pro I wherev...
83933	Testing Endpoint 3	89883	423	10.		2G, 3G, MT, MO	Global Pro I wherev...

3. Select the ICCID of the SIM card and the required "Service Profile" and "Tariff Profile". Check the box "I want the SIM to be activated now" so that the SIM card is ready for immediate use. You can leave the "IP Address Space" and "IP address" fields blank.
